Floor Plan

The health of your business is the heart of our business. For more than 50 years, The Anderson Group has provided trusted, respected office and executive suite leasing to businesses in the Capital Region.

Beyond simply renting you a space, we've developed expertise in office space efficiency, productivity and profitability, so we'll work with you to create a work environment that serves you best, now and into the future.

We're happy to lease directly or through a broker. Rest assured that we offer competitive commissions for brokered leases—as well as flexible, custom leases to meet our tenant's needs.
